1/3 cup honey
1 tsp vanilla essence
2 cups) plain flour

- Line two round pizza baking trays with non-stick baking paper.
- Using an electric beater, beat the butter and brown sugar in a bowl until pale and creamy. Add the honey and vanilla essence and mix well.
- Add the flour and mix together until just combined. Use your hands to bring the dough together. Knead the dough softly on a lightly floured board until it is smooth. Divide into 2 portions. Cover and place in the fridge for 30 minutes to rest.
- Separate the lollies into their colour groups. Place each group of colours into a ziplock bag. Wrap a teatowel around the bags and using a meat mallet or hammer, pound the lollies until they become finely crushed. Repeat with each colour group.

- Use a rolling pin to roll out 1 portion of dough between two pieces of baking paper until it is 4mm thick. Use a 9cm star-shaped biscuit cutter to cut stars into the dough. Place the stars on prepared trays. Use a 4cm star-shaped cutter to cut the centre from each biscuit. Continue cutting biscuits from the dough, re-rolling as necessary. Sprinkle the sugar over the stars.
