

## **Sharp launches a beautiful new black microwave**

Sharp Corporation of Australia has released a new touch control midsize microwave oven, the R395NBK with a host of features and sporting a sleek black stainless steel fascia – the ideal look for those with a passion for chic design trends!

Standing apart from the rest of the range, the R395NBK is easy to use and features a sleek and stylish design, making it a must-have cooking companion in any contemporary kitchen.

In cooking, reheating or defrosting mode, the R395NBK offers both speed and efficiency. It delivers a powerful 1100W power output along with a choice of five microwave power levels. The generous 320mm glass turntable comfortably accommodates a range of portion options, from light snacks to family meals.

When it comes to making meals conveniently, the R395NBK steps up to the challenge and features eight one-touch instant action menus. The choice covers quick, efficient cooking options and reheating, as well as an express defrost key with three menus.

Featuring a four-digit LCD display, inbuilt demonstration mode, more/less setting and push-open door, this new model is simple to operate. Safety features include child lock, alarm function and a timer/clock.

The R395NBK is available now from leading electrical retailers at \$439 RRP. For further product information and full specifications visit [www.sharp.net.au](http://www.sharp.net.au) or call 1300 135 530.
