

Style and convenience with Sharp's new top mount refrigerators

Sharp Corporation of Australia has expanded its refrigerator range with four new top mount refrigerators. Sizes include 222L, 244L, 308L and 339L, making these models the ideal option for small to medium sized households.

This compact range comes in a modern Silver finish and has practical features for everyday use.

An inbuilt Nano Deodoriser traps odour-causing molecules when air passes through the filter to help reduce odours, keeping the refrigerator smelling fresh and clean.

Inside the two-door refrigerator, organisation is simple thanks to adjustable shelves. Effortlessly customise storage space to suit the shape and size of the food you need to store. Various sized of door pockets allow for drink and bottle storage while the slide out fresh case keeps dairy and cold meats separate. A vegetable drawer is also provided to help keep vegetables fresh.

The well designed freezer compartment allows flexible storage with an adjustable shelf to allow you to store items conveniently. It is complemented with a twist and serve ice tray.
